IDH Accountancy will proactively look for ways to allow you to:

– Increase your independence
– Maximise your income
– Create more time for yourself
– Pay no more than your fair share of tax

We are happy to discuss your accountancy requirements and explain what we would be able to do for you. There is no charge for our initial consultation.

If you do decide to instruct IDH Accountancy, we will always agree fees with you in advance. Where appropriate, we will let you know what options you have, and what the cost will be for each one.

# How IDH Accountancy can improve your business

"I believe in allowing my clients to keep control of their own accounts – my role is to help you do that in the most effective way for your business."

– Ifan Lloyd

## General accountancy services

What you'd expect all accountants to provide. And we are committed to doing this accurately, efficiently, and to your required deadlines.

- Bookkeeping
- Preparing financial statements
- Drafting tax returns

## Business start-ups

Whether you have just started, or are thinking of starting your own business, there are lots of ways we can help, including:

- Assessing the viability of the business
- Advice on what your business needs to consider
- Company formation
- VAT registration and returns
- Keeping compliant financial records
- Explaining how your business can pay you

## Corporations

We can provide support and advice on whatever your company requires, from basic compliance to restructuring, growth planning and performance management.

- Company secretarial services
- Company returns
- Virtual "Finance Director"
- Ways to grow your business

## Bespoke advice

If you have any specific queries or requirements, from inheritance tax planning to making key financial decisions, IDH Accountancy has strategic alliances with experts in specific fields.

## Ifan Lloyd ACCA

I have over 30 years' experience in a range of businesses, from SMEs to multinationals including Bank of Tokyo-Mitsubishi UFJ, Toyota (GB) PLC, Lexus (GB) Ltd, Canon (UK) Ltd and Wolters Kluwer plc. My functions ranged from sales, credit control and company secretarial to taxation, financial and management accounting. I have a history of making a sustained contribution to a company's turnover and profitability in a variety of business sectors.

Most accountants offer a range of services from bookkeeping and tax returns to statutory accounts compliance. My experience and expertise enables me to deliver all this, and also help you:

- improve your profits and cash-flow
- create more wealth for you
- pay no more than your fair share of tax
- enjoy an easier life
